My instructor has failed to grant me access to a tutor despite not averaging an 80% on my exams needed for advancement in the nursing program. This instructor has not been abiding by her own syllabus. Her availability to meet with students in a timely manner is 2 weeks out, even though her syllabus states within a week of taking the exam you HAVE to meet with her if you get less than an 80%. I feel like this is not contributing to student success, at all. Despite my best efforts reaching additional help to succeed, I feel like my education or success isn't a priority to my instructor.
