

# KIRTLAND *DISCOVER YOU!*

## Mission

To provide innovative educational opportunities to enhance student lives and build stronger communities.

## Vision

Kirtland will be the first choice for learner centered education guiding students and communities toward success.

Established in 1966, Kirtland Community College is a two-year college that serves over 17 communities in Michigan's largest community college district. The college provides 42 degrees and certifications, along with a Bachelor of Science in Nursing partnership with Saginaw Valley State University and a phlebotomy course, across two campuses and continuously strives to adapt programming to meet economic demands. By fostering a culture of innovation, Kirtland equips students with the tools they need to succeed in fulfilling careers.

A recent federal report cites that Kirtland's cost of tuition and fees are about **\$10,000 below** the national average for colleges and universities.

Professional trade focus with programs designed to meet regional demands for technical skills: Over 545,000 job openings in Professional Trades through 2026 in Michigan.
